# Cromwell

DESIGN ■ 1911

Nápojový soubor Cromwell byl prvním, na němž se objevil „papežský“ brus – způsob brusu s obloukovitě ukončenými fasetami, který se poté stal jedním z typických znaků nápojového skla moserovského původu. V následujících letech z něj byly postupně odvozeny další proslulé soupravy – Papež, Heilbrunn, Adele Melikoff, Marienbad, či Lady Hamilton. V současnosti je souprava vyráběna též se zlaceným okrajem nebo zlacenou linkou.

The drinking suite Cromwell was the first on which “papal” cutting – the style of cutting with facets ending in arches – was applied. Later this style became one of the characteristic features of Moser drinking glass. In subsequent years, other sets were gradually developed from this famous set, including Pope, Heilbrunn, Adele Melikoff, Marienbad or Lady Hamilton. At present, the set is also produced with gilded rim or wide gilded border.

## PROMINENTNÍ MAJITELÉ HONOURABLE OWNERS
